

# PADDLING ETIQUETTE

**Respect the peace of nature.  
On the shore, leave room for other people as well.**

**Give way to other water traffic.  
Avoid paddling on boat routes.**

**Take your rubbish with you. Use only dedicated spots for campfires. Open fires are forbidden when a forest fire warning is in effect.**

**Use marked spots for landing ashore.  
Avoid residential areas when paddling or landing.**

**Familiarize yourself with bird nesting areas and nature conservation areas. Obey their rules.**

**Always use a life vest. Keep a phone with you with the 112 emergency call application installed.  
Only paddle under conditions in which you can maintain control.**
